This authorization releases records prior to and following signature date. All records received will become part of the student's educational records. These records will be used to coordinate health and educational needs and will be maintained and transferred in accordance with School District policies and procedures. Unless otherwise specified in this release, if records are authorized to be mutually exchanged between the School District and the agency or individual listed, I understand that the records I authorize to be released may be exchanged at any time only between the School District and this agency or individual during the term of this authorization. I understand that upon release, this health information may no longer be protected by federal health care privacy rules. However, other state and federal laws governing the disclosure of educational data may prohibit the redisclosure of such information without first obtaining an additional authorization. I also understand that I may revoke or change this authorization, in writing, at any time, by sending a letter to the School District, which reflects my wishes in this regard. I also understand that I may revoke the authorization in accordance with the instructions contained in [name of person or agency providing health information]'s notice of privacy practices. **[Name of person or agency providing or holding health information] may not withhold treatment, payment, enrollment, or eligibility for benefits if I do not sign this authorization.**

This authorization expires on or no more than one year from the date of my signature.
