6133 402<sup>nd</sup> St., North Branch, MN 55056**

**Eligibility for Minnesota Vaccine for Children Program  
Children 18 years of age & younger**

- No health insurance
- Have health insurance, but the plan does not cover the cost of vaccines.  
Examples: Covers only selected vaccines; no vaccine coverage; or have reached a cap in coverage.
- Covered by MN Health Care Program (MHCP): children only  
Please present your program card at the time of immunizations.

**Eligibility for UUAV Program (uninsured/underinsured adults)  
Adults 19 years and older**

- No health insurance
- Have health insurance, but the plan does not cover the cost of vaccines.  
Examples: Covers only selected vaccines; no vaccine coverage; or have reached a cap in coverage.
- Adults on MN Health Care Program- **see your physician for vaccine.**
- Vaccine availability for adults is subject to change depending on program funding.

**Cost:** Administration fee of \$10 per immunization. No one is refused for inability to pay this fee.

Please bring immunization records to your appointment.

Immunization services given at public clinics should not be substituted for a child's usual well-child visit with his or her primary care provider.

All minors under the age of 18 years must be accompanied by their parent or a legal guardian.

Tuberculin Skin Testing (TST), also known as a Mantoux, is available for a fee of \$15.00.
