Late applications will NOT be considered.

The "Local Scholarship" is a compilation of available scholarships to those candidates that meet certain criteria. One application is used by the donors to select their recipient. Please read the directions carefully. **Not all applicants become recipients.**

Eligibility:

- The applicant must be a senior at North Branch Area High School.
- The applicant must enter a program of further education in a career college, four-year college, or a technical college in the fall after graduation.
- The applicant must complete all forms as to meet the requirements of each donor.

Please be considerate and plan ahead. Request forms of recommendation early. **Do not put staff people on the spot by asking them at the last minute. They could say no.**

Selection of Recipient: *(Recipients are expected to attend awards ceremony **May 15th**)*

Some recipients are chosen directly by the donor, some are chosen by a scholarship committee using the criteria set by the donor. Donors don't always know students. Please use your personal essay and your forms of recommendation to describe yourself in the best way possible to secure your scholarship.

Administration:

- Most of the scholarship awards shall be distributed after the recipient has shown proof of attending school full-time (12 credits) for a period of one term and shows evidence of continuing (fully registered and accepted for the next term). Your student I.D. will also be required.
- Details regarding disbursement of the award will be indicated on the **award letter** you receive during the Scholarship Award Night. **Keep it in a secure place.**
- If a recipient's intentions after high school change ie: decides not to attend college, and therefore becomes ineligible for the scholarship, it should be made known to the Career Center before the deadline to collect. (usually March)
